

BUSINESS CONFERENCE

- 1) The chamber mission to China is with both tour interest as well as business interest.
- 2) During the day we go sightseeing, only one night business conference held during the whole journey.
- 3) Anybody try to join in this conference should fill in the business inquiry form, and give it to chamber, chamber give me, I give to China side to screen up the Chinese counterpart before the tour.
- 4) Normally a group of 100 passengers, there are only 3 up to 5 would like to sign up and join in the business conference.
- 5) Every other day we hold up one business conference in Beijing(the exact date is printed on your final itinerary with the flight tickets), every day we have 500 passengers go to China, so on the business conference there might be 60 up to 100 business people from the U.S.A., while 60 up to 100 from China.
- 6) We invite our elected official and Chinese government officials make a friendly speech to start the meeting, then our chamber leaders and Chinese chamber leaders give introduction to the business people on the both sides. Then we sit down for one to one talk. There might follow by the agreement or contract sign up. The major topics Chinese business people like to ask and talk with us are on those industry fields of agriculture, manufacture, pharmaceutical, biologic medicine, IT industry and so on. We have many successful cases from our previous experience before. You might visit the Page 3 and Page 4 on our web side: www.citslinc.com
- 7) The business conference is something looks like a off-work mixture as a chamber activity. We do not charge for any business consulting fee, we just try to provide this valuable opportunity, but we do not promise anything.
- 8) If anybody believe they just pay one thousands dollar something for the tour fare, then they can ask for the unreasonable business consulting service, they are wrong. They might misunderstand about the business meeting, the fact is, we forward your business inquiry form and business conference attendee list to China, and try to find and invite those Chinese business person who share the same thoughts with yours, come to meet with your passengers on the meeting. We have many successful cases from our previous meetings, but we do not make any promise since we did not charge any business consulting fee from your passengers, instead, we only charged them for tour fare.
- 9) Citslinc did not charge any business consulting fee over the tour fare from any passenger for this trip, so we do what we can do, but we do not promise everybody could find a buyer or supplier from the business conference. If only few attendees on a day, sometimes we reduce

the meeting level, instead of the big conference, we just invite the detail match talking Chinese counterparts at small discussion meeting scale.
