About

MBOT

Since being established in 1961, MBOT has played an important leadership role serving and representing the interests of business of all sizes and sectors in our community.

MBOT's large, diverse and active membership has made us one of the most vibrant business associations in Canada.

As the "Voice of Business" we advocate on policy issues that impact local business at all levels of government, and are influential in helping to shape policy decisions. MBOT also offers a wide variety of valuable business services and professional development programs, networking events and marketing opportunities, to help business grow, prosper, and get connected.

What We Offer ?

We take your vision and help make it a reality. From planning to production, our on-site technician guides you through the entire process, helping you at every step. Videos, webinars, podcasts, voiceovers - we cover every need.

WATCH OUR VIDEO

Competitively low pricing and top-of-the-line equipment.
You do not need to be an expert, our technician is on-site
at all times to help you succeed.

4k Video

The L4D Studio offers advanced 4k footage capabilities, complete with heatless LED 4-point lighting

Full Studio Setup

Our sound-paneled walls and 10ft green screen will make your production look and sound professional

High Quality

We pride ourselves on the delivery of a seamless product using only the best technology and software

What Can You Do?

We are here to support you and your project. We understand studio equipment and software is an expensive investment. The space to store it or learning how to use the technology is an added stress.

L4D provides you the equipment and space, you bring your ideas.
